# MOHAMED IMRAN M

## BACK-END DEVELOPER

📞 +91 9150139186   📍 Dindigul District , Tamil Nadu   ✉️ mohamedimran3876@gmail.com

## ABOUT ME

I'm a backend developer passionate about building scalable, efficient, and high-performance applications. I specialize in databases, APIs, and server-side logic, ensuring seamless functionality and reliability. With a problem-solving mindset, I optimize architectures for speed, security, and maintainability. Always eager to learn, I stay updated with the latest backend technologies and best practices. My goal is to create powerful backend systems that drive smooth user experiences and business success.
